A Thanksgiving Prayer

O almighty and everlasting God, who crownest the year with Thy goodness, and hast given unto us the fruits of the earth in their season: Give us grateful hearts, that we may unfeignedly thank Thee for all Thy loving kindness, and worthily magnify Thy Name through Jesus Christ our Lord. Amen.

FIRE PREVENTION WEEK OCTOBER 4 — 10

Again, Fire Prevention Week is to be observed in Canada and the United States as it has been annually since it was first officially proclaimed 42 years ago.

Actually the observance originated 53 years ago as Fire Prevention Day to promote fire safety in memory of the 200 persons who perished in the Great Chicago Fire which occurred October 8 - 10, 1871, destroying one-third of the city. (Nearly 18,000 buildings).

Let's learn and heed the rules of fire safety in our homes, schools and places of work. The National Fire Protection Association tells us 98% of all fires can be prevented.

Statistics compiled by the Dominion Fire Commissioner show that during the past 10 years, 831,000 fires in Canada have taken 5,700 lives, seriously injured almost 17,000 other persons and destroyed property valued at \$1,271,000,000.

Improved FIRE PREVENTION is your job all the time. If fire defences are checked constantly, there is no limit on what can be saved through public co-operation.

TRICK OR TREAT?

This year Hallowe'en falls on a Saturday evening and soon after sunset that night there will be the usual and continuous parade of spooks and witches appearing at your door for a "Trick or Treat".

Motorists are urged to exercise extra precaution during the evening because often tiny spooks can't see too well through the slits of a false face or mask, and could easily stray in the path of a moving vehicle.

Extra police will be patrolling the PMQ area and have warned that vandalism will not be tolerated.

"Trick or Treat?"

LETTERS TO THE EDITOR

Ottawa, Ontario

10 September, 1964

Editor:

Congratulations on front page September issue of Bugle. Keep up the good work.

Director of Public
Relations (Army)

Editor's Note:

It is most gratifying to receive messages such as the above, and in this case, credit is due to the untiring efforts of our Managing Editor, Sgt. R. M. Sheppard.

Ralph finds time to enjoy amateur photography once in a while, and he spent many hours producing last month's front page.

Thanks, Ralph, we appreciate your talented work, and we know our readers do too.

"WELCOME" BROCHURE FOR NEW RESIDENTS

A brochure welcoming new residents to Griesbach, has been prepared by the Griesbach Association and a copy has been included with this issue circulated to the Griesbach PMQs. In the future it is proposed that all new residents receive a copy of this information leaflet when they occupy their PMQ.

Through the medium of this folder it is hoped that the newcomer will be made aware of the facilities and services available to them as an interested member in community affairs.

Famous Canadian Army Badges

Royal Canadian Corps of Signals

A dashing figure of Mercury carrying a caduceus rushes across the globe which rests on a scroll inscribed — "Velox-Versutus-Vigilans" — that's the cap badge of the Royal Canadian Corps of Signals.

"Jimmie", as the figure is affectionately known to members of the corps, was Jove's messenger and the caduceus was the ancient herald's wand.

The globe represents the universal service rendered by the RCCS.

Translated, the motto is "Speed-Accuracy-Vigilance". The "Sigs" are home-based at Vimy Barracks, Barriefield, Ont.

The Library Corner

CENSORSHIP DOESN'T PRODUCE VIRTUE

If you cannot "make people good" by Act of Parliament, still less can you make them innocent by book censorship. Innocence is virtuous; but innocence is not ignorance. Literary censorship can never, at any time, by any Christian criterion, promote true virtue. Ever more learned Roman Catholic theologians are now coming to hold this view in relation to the Index. The most potentially "corrupting" book of any kind — about theology, or sex, or politics, or anything else under the sun — simply cannot corrupt a man, a society, or a 'teen-age daughter who is theologically, sexually or politically healthy. As to the unhealthy, the cure, to be certain of success, lies in positive measures at the very opposite end of the pole from the negative immortality of censorship.

LIBRARY NOTICE BOARD

As a public service, a portion of the library notice board has been reserved to display personal notices and advertisements. This facility is available to library members only and notices so displayed must bear a library membership number and be dated. Notices will be automatically removed at the end of two weeks.

BOOK BRIEFS

The Red Drum's Warning by Willis Lindquist

A story of danger and suspense in a Haiti uprising. Kit Standish, son of a plantation-owner, little suspects that his friendship with the Haitian boy Teebo will be tested, nor that the little red drum which Teebo gives him, his a magic secret.

Simba of the White Mane by Jocelyn Arundel

A story of the great plains of Africa and of Toki, a small boy who wants to become a game warden, gets lost from a safari, and comes upon the great Simba, almost legendary lion of the white mane. The authentic quality of this book is due in large part to be the fact that both the author and artist were members of an actual African safari.

A Man Called Paladin by Frank C. Robertson

This action-packed volume contains four brand-new adventures of the cowboy-knight errant, The first has to do with Paladin's origin; the second, with his disposal of the crooked manager of a lumber camp; the third, with his rescue of a group of Chinese menaced by white outlaws and later by hired killers in a San Francisco tong war; and the fourth, with his confrontation of the killer of his parents.

GRIESBACH, Alberta, Sept. 30. — A concentrated week of fire prevention education including a fire demonstration and display of equipment is in store for all personnel at this military base October 3 - 10, when Army authorities here stage an all-out drive designed to keep fires at a minimum in and around the sprawling military training and PMQ residential area.

Fire Chief Arvid Hauglum told the Griesbach Bugle that all Griesbach residents are invited to attend a spectacular fire demonstration by his department on Saturday afternoon, October 3, at 2:00 o'clock at the Griesbach Fire Hall.

The following Saturday, October 10, the Griesbach Fire Hall will hold an "open house" from 1:00 to 5:00 p.m., highlighted by the presentation of prizes to the student winners in the Fire Prevention Poster Contest, at 2:00 p.m.

Other events during the week will include reading of the proclamation at church services, surprise fire drills in schools and all buildings, distribution of fire prevention information pamphlets to all residents, and special lectures to Boy Scouts and Cubs. On Wednesday, October 7, fire prevention films will be shown to all students in School No. 2 and on Thursday, October 8, to all students in School No. 1.

A bustling battle against fires is maintained here all year, but during FIRE PREVENTION WEEK officials are stepping up their campaign and hope to reach every soldier and civilian at the base with Fire Prevention Education.

TOP AWARDS GO TO LOCAL STUDENTS

The highest grade taught in the Griesbach Schools is Grade IX and, since this is the level of the first Departmental Examination, it gives the opportunity of comparing our Schools against the Provincial average. This year 94% of our students passed and this is well above the Provincial average.

The girl and the boy obtaining the highest marks in Grade IX are Kathleen McKerracker and Robert Buckley. They will receive the Griesbach Association Award.

Griesbach pupils in High School attend one of the City of Edmonton Schools and it has been proved that they are continuing in a high academic standard. Kirk MacGregor, matriculating from Grade XII, has received the \$100.00 School Board Award and the \$100 Queen

Elizabeth Scholarship, while Jim Leech, also matriculating from Grade XII, has received the \$100 School Board Award.

Also in Grade XII, Sandra Bourque, Karen Kearney and Lynne McKerracker have received a 'Merit Award'.

In Grade XI, Gordon Anderson, Candace Ingram, Tony Jackson, Suzanne Roberts, Thomas Smith, Dianne Cantin and Patricia Dales have received an 'Honor Award', while Jonathin Descheneau, Carole Galbraith and Leslie Routledge have received a 'Merit Award'.

In Grade X, Gwen Swick and Margaret MacQuarrie have received an 'Honor Award', while Douglas Campbell, Donald Cranston, Timothy Descheneau and Kenneth Weber have received a 'Merit Award'.

Appointed Director of Information Service

Colonel Louis A. Bourgeois, 47, of Moose Jaw, Saskatchewan, has been appointed to the new position of Director of Information Services for the Department of National Defence, effective August 24, 1964, and seconded to the Office of the Deputy Minister.

In his new assignment, Colonel Bourgeois will integrate the three existing Navy, Army and Air Force public relations establishments into one Information Service to function for the Department and the Armed Forces. The move is designed to reduce considerably the outlay in this field and provide a more efficient information service for both the general public, and members of the Armed Forces and civil servants associated with the Department. It is consistent with the recommendations of the Glassco Commission.

Colonel Bourgeois, now the Executive Assistant to the Vice Chief of the Defence Staff, has extensive military experience and prior to joining the Canadian Army in 1941 was active for eight years in the radio broadcasting field in Western Canada.

In his former capacity as Military Assistant to the Chief of the General Staff, he also provided a link as policy adviser between the Army public relations staff and the General Staff.

Colonel Bourgeois is an officer of the Queen's Own Rifles of Canada.

Familiar Figure Retires

Major-General J. M. Rockingham, General Officer Commanding Western Command, reads a letter of appreciation to Corps of Commissioners Sergeant Charles Milne, 59, who is retiring after eight years as NCO in charge of the Griesbach area security guard. A wartime Service policeman with the RCAF, Sgt. Milne plans to farm with his two sons, 30 miles west of Edmonton.

TROPHY PRESENTATION

Maj.-Gen. J. M. Rockingham, left, general officer commanding Western Command, accepts the Governor-General Vanier Trophy on behalf of the Western Command Army team which scored the highest combined aggregate in rifle, pistol, sub-machine gun and light automatic rifle matches this summer at Cannaught Ranges. In this first year of competition the Governor-General made the presentation at a reception held recently at Government House.

IMPOUNDING POLICY CUTS ROAMING PETS

The policy recently introduced in Griesbach which permits the impounding of dogs found running loose, has had some effect. For the period Aug. 4 to Sept. 4, a total of 16 dogs were picked up by the S. P. C. A. including one which was reclaimed by its owner living outside the area.

First authorized in August of this year, a system of control was invoked which permits the S.P.C.A. to patrol the area daily and remove any dog found running loose. To reclaim any pet thus impounded, the owner must pay \$5.00

for the first three days the animal is in custody, and \$1.00 per day thereafter.

Incidentally, dog owners in Griesbach must register them at the Camp Office, HQ Western Command, and obtain a tag for each dog. A fee of 25c is charged to defray the cost of the tags.

Dogs are not to run loose or cause any annoyance. Complaints concerning dogs will be referred, in writing, to Camp Commandant, HQ Western Command showing all pertinent information.

Unit Reporters to Meet October 5th

Unit Reporters of the Griesbach Bugle are meeting next Monday in the Conference Room, HQ Western Command to lay plans for local coverage of news this Fall and Winter.

The journalistic pow-wow is called for 1:30 p.m. and all unit representatives are being asked to come prepared with ideas of how to improve their unit coverage.

The reporters are responsible for getting their unit's name into print and publicizing events of worthy mention.

BAND DISPLAY SLATED FOR ARMY NIGHT

A military Band Display featuring the Lord Strathcona's Horse (Royal Canadians) Band, the PPCLI Band, 2 PPCLI Corps of Drums. and the 2 QOR of C Bugles will be presented during Army Night at Clarke Stadium. Army Night this year will be Tuesday, October 6, with the Edmonton Eskimos at home to the Winnipeg Blue Bombers for a regular CFL fixture starting at 8 p.m.

POINTS of INTEREST AROUND EDMONTON

NORTHERN ALBERTA JUBILEE AUDITORIUM

87th Avenue and 114th Street. To commemorate the fiftieth anniversary of the inauguration of the Province of Alberta, this beautiful Auditorium was built by the Alberta Government. It seats 2,730 people. The combined facilities of meeting and banquet rooms, a small auditorium, lounges and a gallery make it the cultural centre of North America. Visitors welcome daily.

REFINERY ROW

Highway 16A, about four miles east of Edmonton. Located here are the huge refineries of most of the major oil companies and the storage tanks and pumping stations which carry oil to the rest of Canada via vast pipe lines. In the same area are a number of industrial plants and a steel mill. The view is especially interesting and colorful at night.

CITY HALL

Designed by architects, Dewar, Stevenson and Stanley, the building was officially opened in March 1957. Council chambers, a beautiful room with perfect acoustics, is patterned after a room in the United Nations Building in New York. City Hall's cafe on the ninth floor provides tasty self-serve fare from 8:00 a.m. to 4:00 p.m.

RAMBLING

with Henry Owen

A news item appeared recently concerning a mechanical robot under development in the U.S. This robot is operated by a man inside it and every movement by the man is copied by the robot exactly, except the strength of the movement is increased fantastically. For example, a man inside one of these super robots is capable of physically uprooting a tree or leaping a 20-foot chasm. The item makes much ado over its future commercial and military potential.

In the unlikely event that these robots ever do come out on the commercial market, extreme care would have to be exercised when screening prospective buyers or chaos may result. If an operator suffering from claustrophobia ever panicked, the surrounding locale would look like the aftermath of hurricane Hazel.

Commonfolk, however, aren't as discerning as scientists, generals and businessmen when contemplating future uses of a robot. They are more inclined to think on a limited scale. A friend complained, with a glint in his eye, that rowdy neighbors in the apartment directly below him pay no attention when he pounds for quiet. "I'll bet if I had one of these new-fangled rowboats and stomped on the floor they'd know I meant business," he cackled.

"I'd love one for my route" sighed a harrassed mailman. "I could leap from house to house and finish in half the time. And woebetide the lousy mutt that got in my way."

One of the best comments was from the local Chinese laundryman. "Charlie," I queried, "what would you do if you had one of these robots?" After a moment's pondering his face lit up. "Hokay, you bling lobot, I wash."

Personally, I can think of more sophisticated reasons for wanting one. Many of my hand-crunching and back-slapping pals would be in for a surprise. And that big neighbour who threatened to maim me when I dared complain about his horseshoes missing the pit and landing in my rabbit hutch... He'd think things over if I started lawn bowling toward his house with cannon balls.

GRIESBACH COUNCIL BRIEFS

The SPCA has been given a contract to control loose dogs in Griesbach. One sweep per day will be made and all dogs running loose will be picked up. These can be retrieved at the SPCA on payment of the approved fee.

Capt. P. Scrutton is now handling the high school book rental system. This system is now open to all members of the Griesbach Association whether or not they are residents of Griesbach.

Many outdated school books are held by Capt. Scrutton. It has been proposed that these books should be sold to Griesbach resi-

dents. See announcement elsewhere in this issue.

A Community Park committee has been formed to plan the proposed park. Although this will take at least one year to implement, it should be well worthwhile. A picnic area will be included.

Association fees are due October 1, 1964. Arrangements have been made for Corporals and below to pay these through pay deduction by means of an acquittance roll if required. This may be done at mid-month pay in October.

Approval in principle was given for the council to arrange prizes for a Junior High Public Speaking Contest. Mr. Ulmer will be requested to supply terms of reference, etc.

The council will again arrange for academic awards to the top boy and girl in the Grade 9 departmental exams.

Lt. M. W. Bezaire has been appointed co-ordinator of dependents' sports in the Griesbach area. He has started by organizing Red Cross Water Safety and Learn to Swim programs. This is at present restricted to children, however, they will be extended to adults when pool time becomes available.

COMMUNITY ASSOCIATION EXPENDITURE by Major R. R. Buckley, CD

Chairman, Griesbach Community Council

The Griesbach Community Council is responsible for fostering the development of organizations and committees in the field of education, welfare, recreation and character building among adults and children of Griesbach Married Quarters. The Council also provides, when possible, amenities not supplied for adults and children.

To sponsor these activities costs money. The Community Council derives monies from grants from regimental funds, rebates from the MLS Community snack bar, various fund raising activities and from voluntary contributions. This latter source is the main support of the Council, and twice a year each family in Griesbach is asked to contribute three dollars to the Community Association.

For those residents that have contributed faithfully throughout the past, the following shows where your money has been spent during the last year.

Junior Rifle Club	\$109.00
Community Library	\$479.00
Boy Scouts and Girl Guides	\$333.00
Day Camp and YMCA Program	\$787.00
Hockey	\$681.00
Skating Rink and Maintenance and Rental of Ice	\$982.00
New Rink Lighting	\$356.00
Archery	\$44.00
Softball and Little League	\$505.00
Tennis	\$96.00
Pedal Pushers	\$41.00
High School Book Rental	\$514.00
Playgrounds and Wading Pools (including new equipment)	\$900.00
Christmas Decorating Contest	\$125.00
Grounds Beautification	\$300.00
Safety Week Awards	\$25.00

\$6,277.00

As this list shows, there are at least two activities offered to each resident of Griesbach. These activities could be expanded if every family in the community contributed. — Do your share now.

10 Million Canadians Can't Swim

A recent survey has turned up a startling figure: ten million Canadians — over half the population — cannot swim even enough to save their own lives.

The National Safety League of Canada is conducting an all-out campaign to encourage everyone

to learn to swim. If you can't swim, make it a point to learn during the fall and winter months. You'll find your next vacation far more enjoyable if you do. To steal a phrase — learn to swim; the life you save may be your own.

RED CROSS WATER SAFETY & LEARN to SWIM PROGRAM

Children of members of the Community may register for swimming lessons at beginner, junior, intermediate and senior levels on Saturday, October 3rd, from 11:00 a.m. until 12:00 noon — No. 1 School main hall.

The registration fee is \$1.00 and those registering must be in possession of the current Griesbach Association Community Cards. Lessons will begin on October 10, at the RCAF Kingsway Swim Pool, and will continue for ten Saturdays.

Since transport cannot be provided, parents are encouraged to pool resources to transport children to and from the classes.

Due to the depth of the pool, the minimum age limit will be seven years of age.

Adults wishing to assist in this program are requested to contact Lt. M. W. Bezaire, Local 433.

Please hand in completed form when registering.

Western Command Fish and Game Association

A meeting of the association was held on September 16 in the 13 Wks Coy RCE canteen, with approximately 15 members present. Also present were Mr. Roger Schmitke, biologist with the provincial Fish and Game Branch, and Mr. Bill Shepherd, representative of Carlings Brewery.

Members were advised that the proposal by Cpl. Hec McDonald regarding the release of pheasant through the provincial government proved impractical. Mr. Schmitke suggested two alternative projects which would help considerably in assisting conservation. These projects were accepted by the meeting and are detailed elsewhere in this issue.

Capt. Bill Parker advised that the geese migration is underway. Mr. Schmitke confirmed this and stated a count was made during the week of September 7-12 which indicated 21,000 geese in the management area, approximately half of which were Canada's. Remainder were specklebellies, Ross and snow.

A hunter-training program will be organized at an early date. Details of this will be announced soon.

FISHING DERBY

The fishing derby is still underway. Best fish yet entered are as follows:

Pickereel — Sgt. Miles King — weight 4 lb 8 oz.

Trout — Sgt. Vern Webb — weight 1 lb 4 oz.

Pike — Sgt. Roger McMahon — weight 6 lb 14 oz.

Perch — Capt. Bill Parker — weight 1 lb 6 oz.

This derby is not yet finished so don't give up.

TRAP SHOOTING

The annual trap shooting competition was held on Sunday, September 13. The opening shot was fired by the Area Commander, Brig. G. C. Leach, who made a perfect hit.

As result of a fishtailing wind from the N.E., the shooting was quite tricky and the final scores resulted in several ties.

Capt. Bill Parker and Sgt. Miles King tied for first place with a score of 37/50. Capt. Parker won the shoot-off and a Coleman stove.

Miles King won the second prize, a Coleman lantern.

A score of 36/50 by Capt. Gordie Ingram and Maj. Ed McPhail resulted in another shoot-off for third and fourth prize. Capt. Ingram won an insulated vest, and Maj. McPhail an electric lantern.

A three-way shoot-off for fifth and sixth place resulted in Sgt. Tom Hidson winning a goose call, and Capt. Nick Plishka a gun cleaning kit.

High relay prizes of hunting hats were won by Sgt. Bob Patterson and Sgt. Vern Webb.

The turkey shoot was enjoyed by both the men and the women and was won by Cpl. Hec McDonald.

Prizes were presented by the Chief of Staff, Col. M. F. MacLachlan.

BADMINTON CLUB MEETING

A meeting of teenagers (12 yrs. and up) and adults interested in playing Badminton, will be held Tuesday evening, October 6, at 7:00 o'clock in the PT Building, Hamilton Gault Barracks.

Play will start immediately following the meeting, and six new courts are available.

VANISHED TOWN

MAPLE CREEK, Sask. — One of the oldest towns in Saskatchewan was wiped off the map recently. The provincial travel bureau forgot Maple Creek on its current highway map. This town of 2,300 has asked that all copies be recalled to give Maple Creek official recognition.

Arrangements will be made for hockey rinks maintenance and for a schedule of free skating, etc.

Junior Curling Club

As in the past a curling league for ages 13 to 19 inclusive will be organized at the Griesbach Curling Club. Officials are anxious to get the league off to a good start and are looking forward to seeing as many new curlers as are interested. Basic instructions will be arranged to start the season.

It is expected that there will be a shortage of skips, so if you would like to try your hand, don't fail to tell the league executive.

The fees will be \$5.00 for the whole season payable when curling starts, so save your pennies now. You do not need the money to register.

Register now to assist in a good start by phoning Major or Mrs. Crosbie at 479-3106.

A general meeting will be held in the Griesbach Curling Rink Lounge on Thursday, October 15, at 4:30 p.m.

LADIES' CURLING CLUB NEWS

It's that time of year again!

Time to be thinking about curling. We wonder if they will ever come up with a transistorized broom? Picture the scene — you guide the broom down the ice — "Sweep" yells the Skip — you press your thumb on a button and the broom expertly waggles along, coaxing the rock to just the right spot in the house.

Well, for this winter at least, we will be using the conventional broom, along with the conventional aching muscles and bruised knees. Thank goodness it is at least good for the waistline.

The Ladies' Curling Club plans to get the season started with a general meeting to be held at the Curling Rink, upstairs in the Lounge, on Wednesday, October 14th, at 8:00 p.m. All ladies interested in curling are cordially invited, in fact, urged to attend this meeting. We have several good curlers in the Club who will be happy to coach any new members. So, if you have never curled before, or perhaps tried a few games three years ago, this is your chance to join Canada's national addiction.

The slate of officers for the season is:

Mary Digweed, President
Reta Laingley, Vice-President
Lois Davidson, Secretary
Hilda McLaren, Treasurer
Fleurette O'Farrell, Social Convener
Audrie Gibson, Publicity Convener

Come on out to the meeting, have your say on how things are to be run this year, and let's have another wonderful season together.

The Greater Edmonton United Appeal Fund

On Monday, September 14, the United Appeal Fund for Greater Edmonton was undertaken by the people of Edmonton for the people of Edmonton. We are part of this group.

The appeal is across Canada and the services — Navy, Army and Air Force — are participating and they are encouraged to be generous donors. Just as the services are integrating for economy and efficiency, so do charities unite in their appeal for the same reason.

Representatives of 46 charitable organizations in Greater Edmonton met and carefully considered what monies they would require to keep their services going through 1965. The amount was \$1,199,852. Of this amount the Federal Services have pledged \$28,000 — the Army's share is \$4,550. The amounts have been cut to the bare minimum by a planning board.

These organizations, by working as a group, have saved the donor approximately 24 cents on every dollar collected. The cost of the fund is four cents per dollar. This low rate of four cents is because all workers, except for a small professional staff, contribute their time and effort.

You will therefore understand that the appeal aids not only unfortunate people but that it also helps you by making your charitable dollars go further. Giving to the United Cause will eliminate at least 46 separate requests.

The following are but a few of the ways in which your money will be spent during 1965.

\$2.00 or 4c a week provides transportation for one week to and from the Cerebral Palsy Day Centre for pre-schoolers handicapped by Cerebral Palsy.

\$5.00 or 10c a week provides

enough handicraft materials for five mentally-ill persons to complete a project as part of the therapy program of the Canadian Mental Health Association.

\$10.00 or 19c a week provides 10 days of summer camp fun for an under-privileged child.

\$15.00 or 29c a week provides five home nursing visits by the Victorian Order of Nurses.

\$20.00 or 37c a week provides six pain-relieving physio-therapy treatments for sufferers of arthritis or rheumatism.

\$26.00 or 50c a week provides part of the cost of helping a newly

blinded person to adjust to his handicap.

\$39.00 or 75c a week covers the cost for three days of a live-in emergency homemaker provided through the Emergency Homemaker Service of the Family Service Bureau.

\$52.00 or \$1.00 a week provides the cost of processing nine pints of blood, supplied free of charge by the Edmonton Branch of the Canadian Red Cross Society to hospital patients requiring transfusions.

There is a sound reason for this appeal. What you give is a personal matter and entirely up to you.

raising and harvesting. He gave an indication of methods of counting, ascertaining increases and discussed the inter-related factors of browse and cover, as applied to both big game and birds.

Two suggestions for conservation projects were put to the association, both of which can be carried out by all hunters and are not restricted to members of the association.

The first of these involves removal of the lower jaw of any big game shot. These should be tagged with special tags which can be obtained from Sgt. Miles

King at "A" Br HQ Western Command.

The second project concerns upland game. This involves removal of wing tips and various other portions of the birds as detailed on special envelopes which also can be obtained from Miles King. From these, information regarding age, sex, living conditions, etc., can be obtained.

The items should be turned in to Sgt. Bob Patterson, "G" Br HQ Western Command, who will, in turn, return these to the provincial Fish and Game Branch.

All hunters — please co-operate.

Fire Protection Is a Family Affair

More than half of each year's fire victims are killed by fires in their homes — more than those killed by all other fires combined. The yearly dollar cost to Canadian home owners is over \$30,000,000. But facts and figures can't describe the headache of fire damage to your home, the heartache of injury — sometimes death — which fire may bring. Every home fire represents a failure — failure to correct hazards, to take precautions.

The home is traditionally one sure place of refuge and safety. Yet homes are the scene of more than one quarter of all the fires we allow to happen each year.

Prevention starts with good family habits about fire hazards. It includes care with matches and smoking, keeping heating and cooking equipment in good order, proper use of electrical fuses, appliances and extension cords, and frequent clean-up of combustibles.

High on the list of family safety measures is a carefully prepared and rehearsed escape plan for fire emergencies. Alternate routes to safety from each room, particularly from every bedroom are of prime importance in the plan, to provide for halls and stairways that may be blocked by fire.

Remember — prevention through good habits, and preparedness through good planning, make a fire-safe family.

INTEGRATION OF SERVICES SPARKS TITULAR TRAUMA

OTTAWA (CP) — Imagine this greeting between two officers of Canada's integrated armed forces: Navy commander to RCAF squadron leader: "Good morning, major."

RCAF squadron leader to navy commander: "Good morning, colonel."

It probably won't happen in a hurry but the defence department is thinking of applying a single rank structure and nomenclature — the army's — to all members of the armed forces.

The single rank structure, informants said here, likely would be introduced at the same time as a single uniform.

The navy and RCAF are naturally nettled at the prospect of losing their ranks though it probably won't happen for some years.

"Think of addressing a captain of a ship as Colonel," a naval officer said. "It's obscene."

CHINESE CHICKEN

Serves 4

2 cups Fresh Green Beans,	and rinsed in cold water
cut diagonally	1/2 cup Toasted Slivered Blanched Almonds
1/4 cup Cooking Oil	1/4 cup Soy Sauce
2 cups Slivered Raw Breast Chicken	1 tsp. Monosodium Glutamate, optional
2 cups Thinly Sliced Celery	3 cups Chicken Broth
2 5-oz. Cans Bamboo Shoots, drained	6 tblsp. Cold Water
15-oz. Can Bean Sprouts, drained	1/4 cup Corn Starch

Cook beans in a little salted water just until tender crisp. Drain. Heat oil in heavy iron skillet. Add slivers of raw chicken and cook until golden. Add beans, celery, bamboo shoots, bean sprouts, almonds, soy sauce, monosodium glutamate and chicken broth. Mix gently, cover tightly and simmer 5 minutes. Shake cold water and corn starch together in a small jar, with a tight lid until smooth. Add gradually to hot mixture, stirring to blend and cooking until thick and clear. Serve immediately with rice.

PORCUPINE MEAT BALLS

Serves 6 to 8

3 tsps. dry old fashioned garlic dressing mix for salads	1 cup packaged pre-cooked rice
2 cans 8-oz each tomato sauce	1 pound ground beef
1 1/4 cups water	1 egg, beaten
	1 tsp. salt — Dash pepper

Combine 1 tsp. of the dry dressing mix, tomato sauce and 1 cup of the water in frying pan or heavy sauce pan. Heat to boiling. Meanwhile, mix remaining 2 tsps. dry dressing and 1/4 cup water with rice, beef, egg and seasoning; shape lightly into 1/2-inch balls. Add to hot tomato sauce. Bring to boil, cover, and simmer 15 minutes. Makes 30 balls.

CONEY ISLAND CLAM CHOWDER

Serves 6 to 8

2 tins whole clams	1/2 bay leaf
1/2 cup finely diced bacon or pork	1 (20 oz.) tin tomatoes
1 medium onion, thinly sliced	1 tsp. salt
1 cup diced potatoes	1/8 tsp. white pepper
2 cups water	1/8 tsp. thyme

Drain clams, cut into large pieces, reserve liquid. Fry salt bacon or pork in large sauce pan. Add onions and fry lightly. Add potatoes, bay leaf, and water and simmer until tender. Add tomatoes, clams and their liquid, seasonings and reheat.

SWEET AND SOUR SPARERIBS

Serves 4

3 large green peppers	1 small can pineapple chunks, drained
2 lbs. spareribs, cut into 1-inch pieces	3 tbsp. corn starch
1 tsp. salt	2 tbsp. soy sauce
1 tsp. monosodium glutamate	1/2 cup vinegar
3/4 cup oil or fat (Chinese would use peanut oil)	1/2 cup honey
1/3 cup chicken bouillon	2/3 cup chicken bouillon

Cut each pepper into 6 pieces, removing seeds and membrane and cook in boiling water until almost tender, set aside. Put oil or fat and 1 tsp. salt in a pre-heated heavy 10-inch frying pan. Place ribs in pan and brown over moderate heat until golden brown on one side, turn ribs over and brown on other side. Remove and keep warm. Pour out all but 1 tbsp. from pan. Add pineapple and green peppers and cook over a very low flame for about 10 minutes then blend together with soy sauce, vinegar, honey, 1 tsp. monosodium glutamate and 2/3 cup chicken bouillon. Add spareribs, cover and bake in oven until meat falls away from bones.

Blend corn starch with 1/3 cup chicken bouillon and add stirring until thick (about 5 minutes). Serve with steamed rice. For variety, bean sprouts, mushrooms or bamboo shoots may be added.

PPCLI NEWS REPORT

by Lt. J. D. Allan

During the past month the Battalion has been very busy with celebrations commemorating the 50th Anniversary of the Regiment. The highlight was the Trooping the Colour ceremony which was held on September 19. Beating Retreat and a Remembrance Ceremony added much to the success of the Jubilee.

Lady Patricia Ramsay, CI, CD, Colonel-in-Chief, Mrs. A. Hamilton Gault, widow of the Founder, and Major-General C. B. Ware, DSO, CD, Colonel, visited Hamilton Gault Barracks for the celebrations. Also present were many other distinguished guests and PPCLI veterans of the two World Wars and Korea.

Now, the business of fall training will start. Range classification will be high on the list of priorities with unit courses following the latter part of the month.

Capt. P. A. Maione has been appointed Adjutant of the Battalion vice Capt. F. L. Berry. We wish Capt. Maione every success in his new job. Capt. Berry moves to HQ Western Command to fill a GSO3 position.

During the past two months the Sgts' Mess has lost several members on posting but the number of incoming members far exceeds the outgoing. WO2 K. G. Tutte has been posted to HQ B.C. Area and all members of the Mess wish him the best in his new posting.

Among the familiar faces returning to Regimental duty are those of S/Sgt. H. H. Chatry and Sgt. R. J. Craig from Camp Borden; Sgt. G. J. White and Sgt. C. G. Wilkins from B.C. Area; Sgt. F. S. Swan from Alta Area; Sgt. M. Zurawell and Sgt. A. R. Taylor from Whitehorse; and S/Sgt. Grant from the PT Cadre.

Organized for Kindness

If tomorrow Junior announces he is going on a hike with the Prairie Dogs, or Daughter tells you she is now a Fawn, don't be alarmed. Chances are they are merely registering another step forward by the fast-spreading Kindness Club, which brings together boys and girls for the study and protection of Nature's living world, and which uses animal and bird appellations for each local group of twelve members, who may range anywhere from five to eighteen years of age. Kindness Clubs owe their origin to Mrs. Hugh John Flemming, wife of a former premier of New Brunswick and now federal MP for Victoria-Carleton, N. B. The rapid growth of the movement in just five years has been almost a matter of spontaneous combustion, as adult leaders with similar interests heard of the success in New Brunswick and lost no time in organizing school-agers in their own communities. British Columbia has constantly expanding clusters;

in Ontario's South Peel area Mrs. J. Alvah Green, of Port Credit, has been the prime mover, with fifteen groups now in action. Mrs. Green also edits the club's lively quarterly magazine, *Fur & Feathers*, to which young club members contribute verse, essays and drawings. London, Ont., is active to the point of justifying a regular Kindness Club programme over CFPL-TV.

Each group plans outings to bird sanctuaries, etc., invites experts to discuss proper care of household pets, and raises "hastinotes" that bear a Kindness Club message. The money goes to animal welfare work in the community, helps support the new Operation Arctichow, for the feeding of sled dogs in the far north during summer, and other worthy causes.

For full information on Club rules and organizing, write to Mrs. Hugh John Flemming, 252 Waterloo Row, Fredericton, N. B.

Musician Retires

Sgt. Hank Smit, PPCLI Band, will retire this month after eleven years service in the Canadian Army.

Sgt. Smit enrolled in Holland in 1953 and came to Canada where he served with the Royal Canadian Regiment Band to 1957 and with the PPCLI Band from 1957 to retirement. Employed as a Trumpet player, Sgt. Smit could always stop the show with his novel rendition on a .303 Lee-Enfield rifle.

On retirement Sgt. Smit will take up residence in Hague, Holland. His parting words — "If I were twenty years younger, I'd do it again."

Gagetown Tackles Vandals

A recent story published in the Camp Gagetown Gazette details the success of an anti-vandalism campaign held in Oromocto.

Plagued by the contempt of local youngsters in destroying trees, breaking street lights, scattering broken glass in the army town and breaking into houses, all out retaliation was taken. The "get tough policy" resulted in the posting of a reward for information leading to the arrest or conviction of vandals. This coupled with the help of local residents assisted in the smashing of a ring of vandals and the implication of others.

In requesting public response to the campaign, Brig. E. C. Brown, town chairman, stated: "I would like people to feel a sense of pride in the town and create a need to control this damage."

The adoption of a similar "pride" to local circumstances could well serve in the public interest here.

9 Out of 10 Homes Could Be Spared

Every week fire strikes at more than 1,000 Canadian homes.

In terms of dollars that means a yearly loss of below \$30,000,000 although the typical house fire averages under \$500 in damage.

But the truth is that three quarters of all fire deaths occur in those homes. And not only deaths, for hundreds of Canadians are horribly burned and often permanently scarred in these fires.

Fires rarely just "happen"! Nine out of every ten fires are the result of carelessness and neglect, and the victims are often trapped by their own ignorance. They might have gotten out IF they had known how.

Staff Wally Johnston has joined forces with WO2 Tommy MacDonald in the RIS. Wally, a 10 SDB fugitive (?), recently completed a tour at Penhold where he assisted greatly in setting up the Ordnance QM operations.

Staff Gordon Turpin has been taken on strength from Fort Churchill and replaces Staff Robinson in the "hub" of the depot — DCG.

After completing a tour as Commandant of the Banff National Cadet Camp, Lt.-Col. S. E. Hunter climaxed his summer activities by entering hospital and becoming a victim of the surgeon's knife. It is reported that he is recovering quite favorably and should be back at the helm after the usual generous convalescent period granted in such cases.

The 17 ROD Mixed Bowling League commenced Sept. 10 at the Rosslyn Odeon Bowl. The following committee was elected to guide the league through the coming season:

President — Cpl. V. Melansen
Vice-Pres. — Cpl. I. Clark

Secretary — Verella Sutley
Treasurer — Pte. R. Osborne
The committee advises that there is lots of room for more bowlers and hopes that the ranks will show an increase before the league really gets rolling. How about it?

Major D. S. Moore, Acting CO, took full advantage of the seasonal lull in activities between the summer and winter concentrations to hold refresher courses for both military and civilian personnel.

The course which was spread over the period Sept. 2-22, covered all phases of depot operations, and was conducted by instructors expert in their particular field.

Cliff Snider and his boys, Steve Faryna and Bob Brereton, took off for southern parts and are busily engaging the QM of the SALH in Medicine Hat in a 3-week battle concerning inspection of his stores. Good luck, fellas.

Mr. C. L. Watson is back at the daily grind and appears to be none the worse for wear after his tussle with a taxi.

The new Ordnance organization in Calgary has demanded the services of many of our technicians on ordnance matters and the shuttle service back and forth from Edmonton to southern Alberta has been quite active.

Major Moore, Capt. Read, Mr. Watson and Staff Yashuk have all been drafted into service in advisory and planning capacities during the past few months. Lt. Bishop has also been on an extended tour in the stampede city.

Congratulations are extended to John Croft of the Corps of Commissionaires who has received a promotion to Sgt.

Royal Visit Starts at Summerside Oct. 5

by Harry Mitchell

A royal visit committee at Ottawa says that Queen Elizabeth has accepted an escort of Royal Canadian Navy destroyers during the portions of her visit to Canada in October when she is aboard the Royal Yacht Britannia.

Queen Elizabeth and the Duke of Edinburgh are scheduled to arrive at RCAF Station, Summerside, P.E.I., by BOAC aircraft on the evening of October 5. The royal party will then proceed directly to Summerside harbor to embark in the royal yacht, anchored off Summerside with its naval escorts. Her Majesty's yacht and the Canadian warships will then sail for Charlottetown where they are scheduled to arrive during the morning of October 6.

The escort will consist of HMC ships Nipigon, St. Laurent, Yukon

and Assiniboine. They are commanded by Commanders D. R. Saxon, of Saxon Hill, Sask., D. D. Lee, of Winnipeg, R. W. Cocks of Victoria, B.C., and W. S. Blandy of Victoria and Halifax, respectively.

Rear-Admiral Jeffrey V. Brock of Halifax, N.S., Flag Officer Atlantic Coast, will embark in the Assiniboine, October 5 at Summerside, P.E.I., and will disembark at Quebec City, October 12, on completion of the escort duties.

The four destroyer escorts are units of the First Canadian Escort Squadron which is commanded by Captain J. P. T. Dawson of Westmount, Que., and Halifax. The ships will accompany Her Majesty's yacht on her visits to Summerside and Charlottetown and to Quebec City.

Canadian Forces Decorations Awarded

Four soldiers have been awarded the Canadian Forces Decoration and five have been granted the First Clasp to the Decoration, having completed the additional ten successive years.

The decoration is awarded to all ranks of the Canadian Armed Forces with twelve years qualifying service, who have undertaken the required phases of training and duty, and are certified by the authorities as efficient, and in every way deserving of the decoration.

The gilt medal is in the form of a decagon to represent the ten Provinces of Canada. Its front bears the effigy of the Sovereign circled with the Canadian Royal Title. The name "Canada" appears below. On the reverse side is a crown, maple leaves and an eagle representing Navy, Army and Air Force respectively. Holders of the award are entitled to the initials "CD" after their names, whose name is engraved around the edge of the medal.

Recipients honored in the name of the Queen with the Canadian Forces Decoration are:

Major R. W. Baldwin, RCCS.
Captain W. C. Barrey, RHR of Canada,
Band Sergeant D. M. Russell, PPCLI, and
Corporal K. E. Price, RCAPC.

The First Clasp of the Canadian Forces Decoration awarded to:

Lieutenant L. F. McLeod,
QMS (WO2) D. M. Storbo,
Sergeant J. E. A. H. Gelinas, RCME,
Lieutenant E. L. Proudfoot, RCD
Lieut. E. L. Proudfoot, RCDC,
and RSM (WO1) H. W. Jeffery, RCAMC.

CPO MILLER RETIRES

CPO First Class Thomas W. Miller, CD, who has been a resident of Griesbach for the past two years, retired last month from the RCN.

CPO Miller served with the permanent staff of HMCS Nonsuch as Chief Bos'n, which in Army parlance means Senior NCO of the Ship.

CPO Miller's career dates back to August 1938, when he joined the RCNVR, and went on Active Service Sept. 1, 1939, and transferred to the RCN in June 1941, serving continuously since that date.

"The Chief's" wide circle of friends both in Griesbach and the Reserve Navy in Edmonton wish him and his family all the best and a happy retirement.

CAPT. HERB JEFFREY TO DIRECT "THE MOST HAPPY FELLOW"

Capt. Herb Jeffrey, Command Inspector of Bands, who was instrumental in making such a success of the Edmonton Civic Opera's "Can Can" last season, has been selected to direct the musical score for the company in the Frank Loesser hit, "The Most Happy Fellow".

The production will be directed by Wally McSween, who incidentally holds the rank of Captain in the local Loyal Edmonton Regiment (3 PPCLI).

Buddy Victor, a well-known celebrity in the city's radio and TV circles, shares the leading role with Marie Therrien, also a popular performer in Edmonton.

Griesbach will be well represented in the show, as in addition to Capt. Jeffrey, WO2 John Erskine, Miss Margie Green, and Miss Verella Sutley are also taking part in various chorus parts. Sgt. Hans Van Gijn, of the PPCLI Band, is ably assisting Capt. Jeffrey in the role of accompanist at rehearsals.

The musical score contains such gems as "Standing on the Corner", "Joey", "Big D", and "Song of a Summer Night".

The show will be presented at the Jubilee Auditorium on October 29, 30, and 31.

TIP OF THE MONTH

Here's an idea you might try next wash day. Rather than hanging your straight pieces, such as towels, dish cloths, diapers, etc., in bunched up loops, try this method. Hang your first piece out straight, using 3 pins across the top to hold it to the line. Stretch the article straight down and across so that it will hang unwrinkled. The second piece of laundry should start with the centre pin of the first. Use three pins

again. The third piece will start with the third pin used on the first article. Continue until all pieces are hung on the line. They take very little longer to dry, and will save you time when you take them down, because they will not require much shaking out when they are folded to put in the laundry basket. This seems to be an excellent idea for use in the winter time, when the basement line is so crowded, and the sheets, etc., dry hard and wrinkled.

— Camp Petawawa Post

1984 Models

In these days when nearly everybody owns one, nearly everybody is interested in what the automobile of the future will be like.

A British scientist, Dr. John Black, hazarded a guess recently. The car of 1984, he says, will be like the fair-ground bumper car and its occupants will be packaged like eggs.

For the next 20 years, Dr. Black thinks, automotive designers and engineers will be concentrating on producing an accident-proof car.

He predicts that 1984 automobiles will be equipped with a spring-loaded bumper right around the body and built to ride over the engine on impact.

Inside the car, the occupants — in the event of a collision — will be held safely in their seats by rubber safety "shelves" which swing down from the upright.

He also envisages short-wave radio communication between drivers, which will allow them to talk to each other while cars are in motion at any speed.

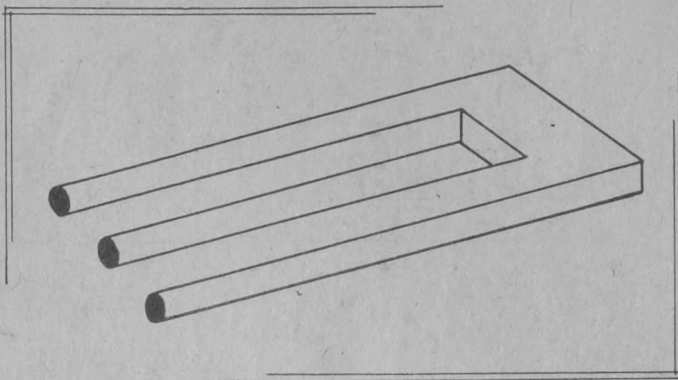

As far as ease of driving is concerned, Dr. Black recommends grouping all controls within 28 inches of the driver, between elbow and shoulder height, with all dials on the driver's eye-line.

If these and other ideas are carried out, says Dr. Black, "we would then have a veritable 'bumper car' in which serious injury would be unlikely."

If the good doctor proves to be a true prophet, the only problem left the car owner of the future will be how to silence the back-seat driver.

— The Victoria Colonist.

AN OPTICAL ILLUSION VERSATILE DESIGN

Pictured above is an item recently requiring workshop repairs on the usual 2149 Workorder. No wonder some of the RCME types have their eyes popping, and yours will too when you look carefully at the optical illusion.

The triple encabulator tuned manifold appears, at first glance, to be a very versatile design. "QST", the radio amateur journal, also published the design and is under the impression that the optical illusion is a core for a balanced modulator transformer.

PPCLI DEPOT NEWS

The tumult and the shouting is completed for another year. Many old acquaintances were renewed. It was wonderful having so many here for our Jubilee celebrations. After hearing so many stories we can't understand why other armies were needed to fight the wars. It is obvious that we won them all!

Another platoon (MONS) started recruit training on 21 Sept. and they are, already looking forward to their visit to Ferguson's Farm.

Miles' Motel has changed hands. Atchison's Associated Holdings took it over only to re-lease it. The new name Taylor's Temple will be up in lights shortly.

POSTINGS-IN

Major J. G. W. (Wally) Mills from UNYOM. Sgt. "Scotty" Scott from 2 PPCLI; Cpl. Jim Knight from HQ Alberta Area; Pte. Bill

Crozier from 10 Personnel Depot. Welcome to you all.

POSTINGS-OUT

Sad Farewells were said to Capt. Val Rithaler to RCS of S; QMSI (WO2) Cal Harding to APTS Camp Borden; Sgt. Dick deFaye to HQ B.C. Area; Sgt. Al Flom RCAPC to HQ Camp Shilo along with Pte. Charlie Carr also RC-APC.

Didja hear that Lt. Jim Honey is taking horsemanship training?

PAY PARADE

Although it was raining rivers Sunday, August 30th, the picnic planned for that day at Laurier Park, for the Pay Staff and their families, was not postponed, but took place as a wiener and corn boil in the Junior Ranks Club.

The damp weather did not moisten the spirits of the adults and children, however, the long range forecast will be investigated more thoroughly next year.

All members of the Pay Staff, express their gratitude to Helen Walker, Ken and Fay Price, Pauline, Richard and Larry Paradis and Pte. Chartier whose combined efforts made this event a rousing success.

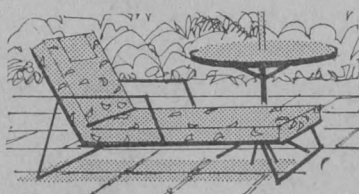

Mrs. Noreen MacCall has returned to work following six weeks leave in Prince Edward Island. Noreen claims that this is the only part of Canada to come from, however, by the smile on her face we know that she is mighty happy to be back in Alberta.

We extend a hearty welcome to the following members of the RCAPC and their families.

Capt. R. W. Stewart, Lt. B. W. E. Krause, and Sgt. H. Harnett.

Offr Cadet R. J. Meanwell who has just completed his 2nd practical phase COTS, which included a short sojourn at the RCAPC School and a week of on the job activities, at Area Pay Office level, has returned to his studies for a B of Comm at the U. of A.
